As you may be aware, on July 1st, 2014, new rules apply to emails and other electronic messages sent to Canadians. The rules are intended to reduce unwanted emails and the spam you receive. But, these rules also mean we may not be able to connect with you through this email address, or others on file, after July 1st 2014, if you don't give us your permission!

We strive to only send you information that we think will be interesting and informative for you, and that won't change if you give us your consent. Even if you say "YES" as outlined below, you have the right to unsubscribe to our future emails at any time.

By completing this form, you are consenting to receive commercial electronic messages** from any representative acting on behalf of Benefits Coordinators BCI Inc. Want to know more before you decide? Give us a call at (800) 361-9773 and we can explain it further.
